Introduction to the HORIZONT Customer Portal

Please read carefully

HORIZONT is not providing it's software on the homepage any more.

All software downloads, hotfixes and documentation files are provided in the Customer Portal.

You can access the portal here: <https://customer.betasystems.com/>

If you don't have access to the portal yet or if you have any questions, please contact our support (info@horizont-it.com).

Important: New notification service

You need to subscribe to the notification service in the portal to get notified when new software uploads are provided. How to subscribe to the service is described on the next slide.

How to subscribe to the new notification service

Click on „Menu“ and on „Edit Profile“ in the sidebar
